PAMPHLETS, LEAFLETS, CONTRIBUTIONS TO NEWSPAPERS OR PERIODICALS, ETC.; LECTURES, SERMONS, ADDRESSES FOR ORAL DELIVERY; DRAMATIC COMPOSITIONS; MAPS; MOTION PICTURES

1917

NEW SERIES, VOLUME 14

No. 11

WASHINGTON
GOVERNMENT PRINTING OFFICE
1918

THE Catalogue of Copyright Entries is published in four parts. Part 1, Group 2, issued monthly, contains mainly titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1 (issued several times a week), including also, however, preliminary reports of court decisions, local directories, herd books, and other annuals, etc. The entries are arranged alphabetically by authors, or, if anonymous, by title. An asterisk (*) after the author's name indicates that the author and copyright proprietor are the same. When the author and copyright proprietor are different, a separate statement is made at the end of the title, giving the proprietor and his address.

Group 2 also contains, in four separate alphabets, the titles of the entries made in Class "C," Lectures, sermons, addresses, prepared for oral delivery, which are arranged alphabetically by author; Class "D," Dramatic compositions, arranged alphabetically by title; and Class "F," Maps, arranged alphabetically by the subject word of each title; and Class "L," Motion-picture photoplays; and Class "M," Motion pictures other than photoplays, arranged alphabetically by title.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages; "C," Class C, Lectures, sermons, addresses, prepared for oral delivery; "D," Class D, Dramatic compositions; "F," Class F, Maps; "L," Class L, Motion-picture photoplays; and "M," Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work, followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy; and "2 c." for two copies, followed by date of their receipt. In the case of contributions to periodicals only one copy of the issue or issues containing such contribution is required. "A ad int." implies ad interim copyright registration under the law of March 4, 1909, of a book published abroad in the English language, for which the deposit of only one copy is required.

A list of the books of which the subsisting copyright has been renewed and extended under section 24 of the act of March 4, 1909, will be found in Part 1, Group 1.

Each number contains an index of the names of all copyright proprietors, the names of authors of pamphlets, the titles of anonymous pamphlets, and the names of authors of dramatic compositions. The annual index supplies, in addition, the titles of all dramas and motion pictures and the subject words of all maps.

The annual subscription price for the Catalogue of Copyright Entries (received only for the calendar year) for Part 1, Groups 1 and 2, is $1.00 for 1917, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The act of March 4, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

1917

NEW SERIES, VOLUME 14

No. 12

WASHINGTON
GOVERNMENT PRINTING OFFICE
1918

THE Catalogue of Copyright Entries is published in four parts. Part 1, Group 2, issued monthly, contains mainly titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1 (issued several times a week), including also, however, preliminary reports of court decisions, local directories, herd books, and other annuals, etc. The entries are arranged alphabetically by authors, or, if anonymous, by title. An asterisk (*) after the author's name indicates that the author and copyright proprietor are the same. When the author and copyright proprietor are different, a separate statement is made at the end of the title, giving the proprietor and his address.

Group 2 also contains, in four separate alphabets, the titles of the entries made in Class "C," Lectures, sermons, addresses, prepared for oral delivery, which are arranged alphabetically by author; Class "D," Dramatic compositions, arranged alphabetically by title; and Class "F," Maps, arranged alphabetically by the subject word of each title; and Class "L," Motion-picture photoplays; and Class "M," Motion pictures other than photoplays, arranged alphabetically by title.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages; "C," Class C, Lectures, sermons, addresses, prepared for oral delivery; "D," Class D, Dramatic compositions; "F," Class F, Maps; "L," Class L, Motion-picture photoplays; and "M," Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work, followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy; and "2 c." for two copies, followed by date of their receipt. In the case of contributions to periodicals only one copy of the issue or issues containing such contribution is required. "A ad int." implies ad interim copyright registration under the law of March 4, 1909, of a book published abroad in the English language, for which the deposit of only one copy is required.

A list of the books of which the subsisting copyright has been renewed and extended under section 24 of the act of March 4, 1909, will be found in Part 1, Group 1.

Each number contatins an index of the names of all copyright proprietors, the names of authors of pamphlets, the titles of anonymous pamphlets, and the names of authors of dramatic compositions. The annual index supplies, in addition, the titles of all dramas and motion pictures and the subject words of all maps.

The annual subscription price for the Catalogue of Copyright Entries (received only for the calendar year) for Part 1, Groups 1 and 2, is $1.00 for 1918, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The act of March 4, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."
